Lahore, Punjab, Pakistan

PROFILE

1+ years of experience as a Flutter developer, specializing in mobile app development with a strong emphasis on creating dynamic and user-friendly interfaces. Demonstrated success in crafting high-performance and scalable mobile applications. Proficient in Flutter, Dart, APIs and Firebase.

KEY COMPETENCIES

Flutter	SQL Server	Report writing and presenting
Dart	APIs	Critical thinking skills
Firebase	Git & Github	Excellent communication skills

PROFESSIONAL EXPERIENCE

Self Employed **Nov 2022- Present**
Flutter Developer

I gained expertise in crafting visually appealing cross-platform applications, focusing on robustness and performance optimization. I developed various projects showcased on my [GitHub profile](#) (<https://github.com/Abdullah-319>), demonstrating proficiency in both iOS and Android platforms.

Internee at CodSoft (Virtual) **Nov 2023 - Dec 2023**
Flutter Internee

During my internship at CodSoft, I gained hands-on experience in Flutter, Dart, and Firebase, honing my skills in writing clean, efficient code and problem-solving. Collaborating with a talented team taught me the importance of effective communication and teamwork in a professional environment.

Self Employed **Jan 2023 - Nov 2023**
.NET Developer

I honed my skills in designing, implementing, and maintaining scalable web applications using .NET Core. Through this journey, I learned to integrate efficient database solutions with Entity Framework and conducted rigorous testing to uphold code quality and application reliability.
